OF LAFAYETTE COUNTY

## 30-foot Mobile Health Care Simulation Van Comes to Lexington June 27th - July 1st, Lex-La-Ray Campus

Lafayette Regional Health Center and Lex-La-Ray students will take part in a medical training experience aboard a 30-foot mobile simulation van equipped with computerized patient mannequins and virtual reality devices that simulate over 110 medical scenarios—including child birth. The program is sponsored by the MU Extension and Area Health Education Centers (AHEC).

The HCC of Lafayette County will provide van tours to regional hospitals and set-up future MobileSim training opportunities.

Community members may tour the van at Lex-La-Ray June 29th from 5 p.m. to 7 p.m. and take CPR classes on July 1 from 10 a.m. - 2 p.m.
